

**WILMINGTON UNIVERSITY  
COLLEGE OF TECHNOLOGY  
BASIC COURSE INFORMATION**

**COURSE TITLE:** 3D Modeling Techniques

**COURSE NUMBER:** ANI 322

**I. MAJOR COURSE OBJECTIVES:**

**Objective A:** Identify and utilize the different types of tools in MAYA needed for professional 3I modeling.

A-1: Operate the new tool sets within MAYA

A-2: Identify the different tools and the specific functions for each tool.

A-3: Practice creative tool usage when creating 3D models

**Objective B:** Demonstrate proficiency in 3D topology within MAYA

B-1: Identify the purpose and process of topology Demonstrate the ability to util
