COURSE DESCRIPTION

This course will prepare classroom teachers to effectively communicate with a variety of audiences and in a variety of modes. This class is also intended to prepare teachers for professional development beyond the classroom. For use in the classroom, teachers will be prepared to communicate with students, parents, other teachers, administrators, and the community as a whole. Teachers will be comfortable using varying levels of formality, but always end in ~~and~~ ~~conduct research in~~ education.

2. Evaluate the opinion of scholars and professional leaders in the field of education.
3. Produce a practitioner/active research paper about a current topic in education.

4. Assess the school community audience and write with them in mind.
5. Create effective emails, proposals, newsletters/blogs/web pages for members of the school community.
6. Design newsletters/blogs/web pages for members of the school community.
