B+	89-91%
B	86-88%
B-	83%-85%
C+	80%-82%
C	77%-79%
C-	74%-76%
F	Less Than 74%

Rubrics and/or grading criteria are provided for assignments. Please review the rubrics and/or grading criteria before completing assignments.

Group Work with Ppt Learning Tool (All Objectives) 15%

Faculty evaluates the student's performance in group work based on group discussions, communication with other group members, and respect for timely submission of materials. Preparation for group work encompasses completion of required re

Article critique (All Objectives) 15%

This assignment requires students to select an article from current nursing literature or one provided from the readings lists which discusses a philosophical/ethical issue related to Moral Distress. Write a brief paper following the Article critique guidelines provided and assessing its application to your professional practice.

Kaltura Video (All Objectives) 10%

Each student will develop a Kaltura video based on HeLa cells of Henrietta Lacks readings and websites. The video should be creative and must answer the question should the government in your opinion provide financial compensation to the family? See the specific instructions for this assignment in the course.

Reflective paper (All Objectives) 10%

Students view a “The Last Lecture” containing themes related to the philosophical decisions, including ethical ones and write a reflective paper.

Online Ethics Quiz Paper (All Objectives) 5%

Students take the online ethics quiz and then write a 1–2-page summary of their results and how it influences their values and opinions in their profession.

Discussion Boards & AACN Essentials (All Objectives) 15%

Students will discuss the issues of nursing ethics and professional practice.
