5 Hours Structured External Assignments (SEA)

COURSE DESCRIPTION

This course will introduce the student to various domains of learning which are applied to the classroom and clinical environments, including specific student populations and nursing in-service settings. Approaches to the teaching/learning process that are explored include learning theories, assessment of specific population cohort needs, the designing of teaching plans, and evaluation of the outcomes of learning.

*A list of course textbooks are available on the Wilmington University Bookstore website:

<http://bookstore.wilmu.edu/>

COURSE OBJECTIVES

Graduate Grading Scale

Grade	Numeric Equivalent
A	95%-100%
A-	92-94%
B+	89-91%

Faculty evaluates the student's performance in course activities, The New Essentials prompt response, and evaluations.

- (1) Mentor form
- (2) Mandatory AACN Essentials Prompt Response
- (3) Thank you
- (4) Clinical setting/ mentor evaluations

A note on the use of Online Synchronous Sessions:

This course offers students the opportunity to engage with fellow students and faculty via online synchronous sessions.

Students have the option of attending the live session when scheduled or viewing the session recording made available through an online learning platform.

As these sessions are anticipated to offer valuable learning opportunities, students are expected to attend the live session or view the recording to enhance their understanding of the course content and earn credit where applicable.
