TERM:

METHOD OF CONTACT/ OFFICE HOURS:

HOURS OF INSTRUCTION: 35 Instructional Hours
5 Structured External Assignments Hours

COURSE DESCRIPTION:

This course focuses on the development of leadership skills for professional nursing practice. The course explores the leadership role of the professional nurse through current literature, theories, case studies, self-awareness, and professional development. Areas of leadership exploration include leadership styles, conflict management, creating a culture of safety, quality improvement, technology, and policy. These concepts are explored through various course assignments and activities.

*A list of course textbooks is available on the Wilmington University Bookstore website:
<http://bookstore.wilmu.edu/>
