**COURSE DESCRIPTION**

The student will learn from first-hand fieldwork experience. This experience will vary from student to student and from company to company. The dynamics of the relationships between student, cooperating supervisor and faculty advisor determine the richness, depth and breadth of the work experience.

**COURSE OBJECTIVES**

This course will provide

1. Apply skills learned in the classroom to the workplace.
2. Analyze one's own performance in the workplace for achievements and further challenges.
3. Examine one's own investment and interest in the type of work for consideration as a future career path.
