

## Wilmington University believes students are:

- The **MOST important people** in our business.
- Not dependent on us. . . **We are dependent on them.**
- Not an interruption of our work. . . **Students are the purpose of our work.**
- **Doing us a favor when they call.** . . . We are not doing them a favor by serving them.
- Our business. . . **They are not outsiders.**
- Not cold statistics. . . **Students are flesh-and-blood human beings with feelings and emotions like our own.**
